

**REMARKS**

This Amendment is supplemental to the Supplemental Amendment filed October 4, 2002. By this Amendment, new claim 37 is added. New claim 37 contains features which are similar to new claim 35 submitted in the prior Supplemental Amendment. Therefore, it is submitted that claim 37 also patentably distinguishes over the prior art.

Applicants are submitting concurrently herewith an additional Information Disclosure Statement to submit prior art for the Examiner's consideration.

In summary, it is submitted that all of the claims should now be in condition for allowance. Reconsideration of the claims and an early notice of allowance are earnestly solicited.

Respectfully submitted,

STAAS & HALSEY LLP
